

Product Description

The BAXT C5 Disposable Painter Coverall is a premium coverall that delivers maximum protection against liquid splashes, combined with a breathable back for maximum operator comfort. Ideal for work that requires a high level of splash protection combined with maximum breathability, particularly in the Painting, Aerospace, Automotive, Composites and Marine sectors. The BAXT C5 Coverall is one of 3 colour coded BAXT Coveralls for easy identification of the correct protection on the shop floor.

- Maximum breathability and protection
- Back made from air and moisture vapour permeable breathable material
- Colour coded
- Thumb loops in cuffs to keep them in place
- Wide, elasticated cuffs for extra protection and comfort
- 3-part elasticated hood for the perfect fit
- 2-way zipper with two-layer cover
- Cat. III - Type 5 + 6
- Antistatic finish
