

Product Description

The BAXT C7 Disposable Laminator Coverall is a premium coverall that delivers maximum protection against liquid splashes, combined with a breathable back for maximum operator comfort. Ideal for work that requires a high level of splash protection combined with maximum breathability, particularly in the Painting, Aerospace, Automotive, Composites and Marine sectors. The BAXT C7 Coverall is one of 3 colour coded BAXT Coveralls for easy identification of the correct protection on the shop floor.

- Maximum protection against liquid chemicals and solvents
- Very high levels of breathability and protection
- Colour coded
- Thumb loops in cuffs to keep them in place
- Wide, elasticated cuffs for extra protection and comfort
- 3-part elasticated hood for the perfect fit
- 2-way zipper with three-point adhesive strips
- Cat. III - Type 5B + 6B
- Antistatic finish
